

Producer Training Syllabus

Orientation

Meet the 192 team, learn how to get the most from the training course & see videos from our access producers.

Video 101

See how it is done at 192. Learn basic camera operation, video production terminology and more.

Studio Production Training

Begin practical application of studio crew positions like director, technical director, floor manager, audio, talent, graphics, and camera.

Field Producer

Get hands-on experience with digital cameras and tripods; capture a simple shot list.

Sound for Video

Learn about recording quality sound for video.

Edit Training

Practice basic video editing skills on your own footage or sample files.

Completion of Training

Trainees that complete required classes receive Certificates of Completion, become certified users, and explore additional training & volunteer opportunities.

Note: Producer workshops are given to Charter Spectrum service area residents first come, first serve. If you have any questions, please call the Public Access line at 860-456-8500. Training Applications must be received by July 7th. Form available at ctv192.org or email the studio at PEG.CTNE@spectrum.com
